

5th Grade Office 365 PowerPoint

Project Overview:

You need to choose the best explorer for an exploration into an unknown dangerous part of the world. You need to analyze two explorers and choose whom you would hire based on their life as an explorer.

The Slide Show Contents:

Title slide:

Explorers for Hire!

Your first and last name.

2nd Slide

First and last name of one of your explorers.

Birth place and date along with date of death and their age. (Confirm your info using two websites.)

Reference your information source in a textbox at the bottom of the slide with the complete hyperlink.

Two images of the Explorer.

3rd Slide

What's explorer known for in his expeditions? (Confirm your info using two websites.)

Reference your information source in a textbox at the bottom of the slide with the complete hyperlink.

Look for two images of what he explored or his ships.

4th Slide:

Same info as 2nd slide but for your second explorer.

5th Slide:

Same info as 3rd slide but for your second explorer.

6th Slide:

What are some important criteria to be a genuine explorer?

List at least two things in complete sentence format.

7th Slide:

Who is the most qualified explorer for you to hire?

Why did you pick one over the other? (Give **two** reasons.)

8th Slide:

Share something you found “interesting” about your explorer!

Reference your information source in a textbox at the bottom of the slide with the complete hyperlink.
